### 3. GENERAL CHAIR: Bob Vializ

- a. Metro is exploring the possibilities of providing Health Insurance for coaches that do not currently have it. Bob and George are looking at some companies – We would probably need at least 50 people interested to make it affordable. Contact George if you are interested and how many coaches would be covered by that insurance.
- b. Eastern Zone May Meeting
  1. Spring Sectionals 2013 - North Section will be held entirely Long Course – many coaches are not happy about it so let us know! \$1 splash fee increase
  2. 2013 - 2015 Nationals - Will be held in June due to Entry Deadline for World Championships
  3. OT 2012 - USOC Sponsorship Guidelines – There will be strict guidelines relating to logos and sponsorships on swim suits, caps etc. Details will be available on the Eastern Zone web site.
  4. Online Testing – When taking online tests be sure to answer at least 1 question then save. If you exit the test and return without saving, you will be given a completely different set of questions.
  5. New Zone Diversity Chair Position – Will serve a 2 year term. Will be filled at September Meeting
  6. Zone Age Group Chair (non coach) – This position has been unfilled for a year. Interested parties contact Eastern Zone Directors
  7. IMX Games Change – 9-10's may be added to this year's meet in a separate session.
  8. Safe Sport – Is now the new name for all initiatives and policies previously labeled "Athlete Protection"
  9. "Deck Change" Ban Policy – A task force of Club Development and Safe Sport committee members will be developing the policy and implementation
- c. Many thanks to our out-going Athletes Reps: Frances Warren, Gregg Byrne and Liyan Yao. Welcome to our new Junior Athlete Rep.: **Nicole Papsco** (Hauppauge Swim Club)

## 5: FINANCE: Corinne Cody

- a. Budget to Actual 2011-2012 Report from September 1, 2011 to May 14, 2012 was available at the meeting. All the stipends from the Spring Meets have been done (checks were available at the meeting – will be mailed to those that were not in attendance). We are pretty much on budget at this time. No major surprises but we will most probably come with a deficit this year.
- b. Balance Sheet as of May 15, 2012 was also available.
- c. A Budget Sub-Committee was formed after the September 2011 HOD meeting. This committee recommended different rates for Travel Reimbursement. Corinne had prepared an analysis of Surcharges and Travel Reimbursement but asked us to discard it as it was wrong.
  1. At the September 2011 HOD meeting, the splash fees were raised by \$1 per event – to \$4 for timed final events in short course meets and to \$5 for timed final events in long course meets starting in September 2012. This motion had been accepted by the HOD.
  2. Proposal to support the increase for travel reimbursement:
    - i. **Proposal to raise the per swimmer surcharge:** Junior Olympic Championships from \$1 to \$5 per swimmer and Senior Mets Championships from \$2 to \$10 per swimmer.

The JO's surcharge increase would go towards the Age Group Programs (Zones) while the Sr. Mets surcharge increase would go towards the Senior programs.
    - ii. **Proposed Rates for Travel Reimbursement:**
      1. Sectionals (SC & LC): \$200 (no change)
      2. USAS Junior Nationals Summer: from \$450 to \$800
      3. USAS Junior Nationals Winter: from \$450 to \$500
      4. NCSA Junior Nationals: from \$350 to \$400
      5. USAS Senior Nationals Summer: from \$600 to \$1,000
      6. USAS Senior Nationals Winter: \$600 (no change)
      7. US Open: from \$600 to \$1,000
      8. World Championship Trials: new stipend of \$1,000
      9. Open Water 10K: from \$600 to \$500
      10. Open Water 5K: new stipend: \$350
      11. Olympic Trials: \$1,500 (no change)
    - iii. Dave Ferris made a **motion to accept the joint proposal** of increasing the JO and Sr. Mets per swimmer surcharge as well as to accept the proposed rates for travel reimbursement. The motion was seconded. Vote by show of hands – **motion carries. These changes will go into effect in September.**
  3. Recommendation from the Finance Committee to pay Travel stipends directly to the swimmer's parents when the stipends requests come accompanied with the receipts that were paid by the swimmer's family. If a Club paid all the fees, then the Club would still get the Travel Stipends. The forms for this summer will be updated and this will be made this policy amendment clear on all forms (check box – pay to parents or pay to club).

## 6: REGISTRATION REPORT: Mary Fleckenstein

- a. Current Membership Statistics: 511 Coaches; 217 Officials; 126 Non-athlete – other; 9532 athletes – 5330 females, 4202 males; 81 clubs

  2. Club Registration will be due at the September House of Delegates meeting
  3. Registration for 2013 will be \$59 per individual and \$150 per club
  4. No payment/purchase order – no registration – will hold in file for payment
  5. Board members must be registered and pass background check and athlete protection (Safe Sport)
  6. Be sure to give Mary the correct contact info – email address is very important
  7. Use [metro.office@metroswimming.org](mailto:metro.office@metroswimming.org) for all emails – sending it to 3 emails does not make me respond faster.

8. Use email rather than calling – you get faster results!
  9. Office is not a 24/7 deal
- c. Coaches: if you are not listed on the web site – you are missing some of your certifications or something has expired – please check your card – Mary does not notify you when you are expired – it is your responsibility to know. There are no excuses or emergencies on this – If you are working a meet on Saturday – don't ask for a card on Friday!
1. Coaches –**DECK PASS can NOT be used to verify coaches registration** – This comes from National – you can not verify that they took the correct background screening. You must have your card!!!!
  2. If you are a coach and an athlete – you must pay 2 separate registrations but you can only be registered to one team at a time.
  3. Coaches Safety Training: If you plan on using your Lifeguard certification to satisfy your Safety Training for Swim Coaches requirement – you must take the online written test through USA Swimming. We cannot accept just your lifeguarding. Results are uploaded automatically into the database. Lifeguard certifications are now only good for 2 years.
  4. CPR – must say Adult/Child/AED to be accepted.
  5. All American Red Cross Classes go through a national clearinghouse – to find courses – 1-800-red-cross - or [support@redcrostraining.org](mailto:support@redcrostraining.org)
- d. Meets: If you read the bid Metro procedure and Policy Manual it lists the events you must have.
1. Bid application and Sanction application are NOT the same.
  2. Meet must be posted 6 weeks prior to meet.
  3. Meet info must list how entries will be cut if necessary.
  4. Meet info must list that teams will be notified 14 days prior if being cut
  5. Meet entry deadline is 10 days prior to event
  6. Recon due to office 7 days prior – if you are late you are not guaranteed the teams will be notified
  7. All coaches must have their credentials visible on deck (not in wallet or pocket!)
- e. Transfers: You must fill out transfer form completely and correctly
1. Must include the last competition date – if they never swam in a meet – state that
  2. Incomplete transfer forms will not be accepted
  3. Former clubs will now be notified directly from USA Swimming on a transfer – important that your email address is correct
  4. You do not need to do a batch for transfers – only new registrations – if you have a transfer that is already registered – just send transfer form (and money)
- f. ID Numbers: Every swimmer has an ID # - it is important that this number is correct in the SWIMS database AND your Team Manager database – they must match.
1. Please be sure that if you are sent a recon with an incorrect ID that you fix it in your database and rebuild ID – too many ID numbers are coming up on the recons.
  2. Ask for a roster to compare what I have to what you have – I am more than happy to send – check carefully
  3. Important that you verify birthdates – some LSC's require birth certificates on all registrations – we do not want to have to do that.
- g. Miscellaneous Info from Workshop and Meetings:
1. Athlete Protection Training – USA Swimming covers the \$17 cost for each course taken. We pay nothing. Parent component coming out soon.
  2. Use your Club Portals on USA Swimming web site –

**7: ATHLETES REPRESENTATIVES:** Frances Warren

All 13-18 athletes must be physically present at the pool where Senior Mets is held in order to vote but do not need to be entered in Senior Mets (SC/Winter). Motion was seconded. All in favor – **motion carries**.

**8: TECHNICAL PLANNING:** David Ellinghaus

The proposed Championship meets calendar for 2013 and the updated time standards for 2012 Long Course and 2013 Short Course seasons were posted on the Web site after the April 28, 2012 TP meeting.

a. Metropolitan Swimming Proposed Championship Meets Calendar for 2013

- |                         |  |
|-------------------------|--|
| 1. February 16-17-18    | Zone Team Qualifier                        |
| 2. February 21-22-23-24 | Senior Mets Short Course                   |
| 3. March 1-2-3          | Silver Championships (3 sites)             |
| 4. March 9-10           | 8 & Under Championships                    |
| 5. March 15-16-17       | Junior Olympics                            |
| 6. March 22-23-24       | Bronze (Age Group) Championships (3 sites) |

A motion was made and seconded to adopt the proposed calendar. Long discussion followed – vote by show of hands – **motion carries**.

b. Review of Format for Senior Mets Short Course:

TP made a motion to keep the relay format used in 2012 in place. Timed finals in the morning with a limit of two relays per Club (A & B Relays only). This will allow swimmers to focus on their individual finals swims and teams will not have to bring “Relay Only” swimmers back for finals. Motion was seconded. Discussion followed from coaches and Senior Committee – The motion was amended to keep the 2 fastest heats of relays to swim at night at finals as in the past. Vote by show of hands. **Motion carries**.

c. Review of Format for Age Group Championships:

1. TP made a motion to re-establish a true Bronze Championship in place of the current Age Group Championship meet, with qualifying times being 1/100<sup>th</sup> slower than Silver qualifying times. The meet will still be held in late March so that all levels of Metro swimmers may have a true Championship meet available to them in the month of March. The way coaches present the meet to their athletes is so important. Motion was seconded. After long discussion – vote by show of hands. **Motion carries**

1. Discussion followed: What happens to swimmers that age up at some time in March – too fast for Silvers at the beginning of March but too slow for JO’s when they do age up. Bob Vializ asked Ginny Nussbaum to work with the Age Group Chairs on a proposal to be presented at the September HOD meeting.

2. Gay Silverman made a motion that there would be no swimming requirements for the swimmers to have an actual provable time in an event in order to participate? Motion was seconded. Discussion followed. Vote by show of hands resulted of 19 for and 28 opposed. **Motion failed**.

d. Review of Metro Silvers and Age Group (new Bronze) Alignment for 2013:

1. Recommendation: move GAEL and YMID from Central to North
2. Recommendation: move Long Island Express (LIE) to Central for both meets
3. Recommendation: move Long Beach (LBA) to South for both meets
4. Updated alignment will be the same for both meets

e. Review of Format for Junior Olympics: Review based on availability of Eisenhower Park for JO’s 2013

1. If Eisenhower is available – meet will be Trials – Finals
2. If Eisenhower is not available – meet will be held as Timed Finals at 2 sites based on age groups (for example: 10-U and 13-14 at one site in the morning; 11-12 and 15-18 at another site in the afternoon)

A motion was made and seconded to accept this alternate format in years when a facility like NCAC at Eisenhower Park is not available. Long discussion occurred. Vote by show of hands – **motion carries**.

3. Recommendation to even out events for 10-unders at JOs (4 events per day)
- f. Championship Meets' Calendar sites for 2013:
  1. Zone Qual. (Feb. 16-18) - Metro will run Zone Qual. at Lehman.
  2. Sr. Mets (Feb. 21-24) - Metro will run Sr. Mets at Lehman
  3. Silver Championships (March 1-2-3): 3 sites: North: NYSA; Central: APEX; South: TVSC
  4. 8-Under Championships (March 9-10): Two bids: Condors at Felix Festa and Sachem at East & North facilities - Vote by show of hands – 33 for Condors vs. 11 for Sachem – Condors wins bid for 8-Unders
  5. Junior Olympics (March 15-16-17): Long Island Aquatic Club at Eisenhower Park – the meet will be timed Finals unless we find another facility.
  6. Bronze Championships (March 22-23-25) - 3 sites:
    - North: 3 bids: MVA at Minisink High School; Fairview at White Plains HS; DA/VAC at Valley Central Natatorium – Vote by North Metro Teams: Devilfish and Viking at Valley Central
    - Central: Lehman College APEX
    - South: Sachem Swim Club at Sachem East and North
- g. The bidding of meets for 2012-13 took place. A motion to accept the calendar for 2012-13 was made, seconded and approved by all. **Motion carries.** Calendar is included at the end of the minutes.
